

Health and Safety Policy Statement

The Health and Safety at Work Act imposes statutory duties on employers and employees. To enable this requirement to be met it is the policy of Ecotile Flooring Ltd, under relevant codes of practice and legislation in force at the time, to ensure that responsibilities for health and safety are properly assigned, accepted and fulfilled at all levels of the organisation and that all practical steps are taken to safeguard the health, safety and welfare of all employees and visitors to the premises or operations under the control of Ecotile Flooring Ltd.

It is the policy of Ecotile Flooring Ltd & to provide adequate and safe working conditions at all times with the provision of proper facilities and training to ensure that any work undertaken is done by employees with full and adequate training and understanding of the task to be done and that any identified hazards have been adequately removed or controlled, and to seek continuous improvement of its standards.

It is the policy of Ecotile Flooring Ltd & to empower all employees through a structure of open dialogue and co-operation, to identify any hazards which may exist and report any conditions which may appear dangerous or unsatisfactory and to ensure that each employee accepts their responsibility to not endanger themselves or others and to participate actively in fulfilling the requirements of the Health and Safety at Work Act and any other applicable safety legislation in force at the time.
